

Don't treat caravan parks as hotels, hostels or B&Bs!

95% of caravans are privately owned by consumers, not rented like hotel rooms

520,239

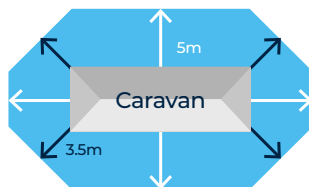

250,680

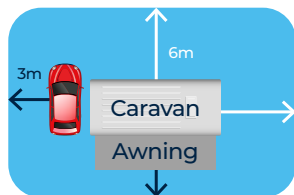

228,035

DENIED USE OF THEIR PROPERTY

Separation distances (social distancing)

Holiday caravans & lodges
The minimum spacings are:
5m spacing between any sides/ends
3.5m spacing between any corners

Caravans & motorhomes
The minimum spacings are:
6m spacing between any sides/ends
3m spacing from any obstruction

CARAVAN PARKS ARE
big open spaces

Average park size is 24.3 acres, with 160 pitches. The added benefit of coastal and rural fresh air, which is vital for mental and physical good health.

Caravans are where loved ones come together but are apart from other caravanners !

Industry proposal for phased opening
of caravan parks with social distancing protocols

Phase 1

Caravan owners ✓
Holiday makers (rentals) ✗
On-park facilities ✗

Phase 2

Caravan owners ✓
Holiday makers (rentals) ✓
On-park facilities ✗

Phase 3

Caravan owners ✓
